30°C Partly sunny 15:59 12-09-2024 ENG

The screenshot shows the Bulk Mailer 9.6.1.3 Free application window. The main interface includes a toolbar with icons for New, Edit, Delete, and Data, and a sidebar with sections for Messages, Contacts, and Data. A central pane displays a "Sending Report" with tabs for "Resend Failed" and "Error Report". The "Statistics" table shows a single row for "Antispam" with a count of 44. The "Errors Log" table lists 2637 entries from September 12, 2024, detailing failed messages to various email addresses with status codes ranging from 12 to 554. A message box at the bottom left discusses customizing the SMTP server and authentication. The taskbar at the bottom features the Windows Start button, a search bar, and pinned icons for File Explorer, Edge, Mail, and others. A weather widget on the right shows 30°C and partly sunny conditions. The system tray shows battery level, signal strength, and network status.
